

## **WQE: Provider access policy**

### **Introduction**

This policy statement sets out the College's arrangements for managing the access of providers to students at the College for the purpose of giving them information about the provider's education or training offer. This complies with the College's legal obligations under Section 42B of the Education Act 1997.

### **Student entitlement**

All students are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through careers events, presentations, talks, group discussions and other events;
- to understand how to make applications for the full range of academic and technical courses

### **Careers Leader**

Our Careers Leader is Andrew Jackson, Associate Principal

For more information contact him on 0116 2471147 or email
