

## AS and A Level Re-sits – Summer 2021

The Ofqual consultation relating to exams which should have taken place in Summer 2021, and which contains proposals relating to private candidates, i.e. students who are not enrolled onto a programme at the College, closed on 29 January 2021. The College is hoping that it will know the outcome of the consultation, and how it affects our ex-students by the end of February.

The advice from the exam boards is for the College to make its entries for the summer exam season by the deadlines already set, which is mid-February, and which may well be before the outcome of the consultation is published.

With this in mind, if you received a Centre Assessed Grade in Summer 2020, you can now purchase your AS and A Level Summer 2021 re-takes using the **Exams Payment** of your WisePay account. Please note that the College does not provide the opportunity to private candidates to resubmit their coursework for any specifications and will only make a 'carry forward' entry.

If you had been entered to re-take exams in Summer 2020, which you were later withdrawn from, and wish to re-take your exams in Summer 2021, please log into your WisePay account and look in the shop for **Ex Student re-takes Summer 2021**. Please note that the College does not provide the opportunity to private candidates to resubmit their coursework for any specifications and will only make a 'carry forward' entry.

In order to enable the exams staff to process your application the College deadline for purchasing re-sits is **Wednesday 10<sup>th</sup> February**.

Purchases made after this date will incur additional costs in line with the fees charged by the exam boards – the costs are doubled from that date until 20th April, and then 150% of the original cost plus the original cost.

If you purchase a re-take, and later withdraw from the exams before the College deadline of 16th April you can request a refund, minus an administration fee. **After that date all fees are non-refundable.**

If after the Ofqual consultation outcome is known the College is not in a position to offer ex-students the opportunity to re-take exams in the summer, and it is before the deadline for withdrawals, your fees will be refunded.
