**There are four possible outcomes following an Enquiry about Results:**

1. Your original mark is confirmed as correct, and there is **no change** to your grade;
2. Your original mark is raised, so your final grade may be **higher** than the original grade you received;
3. Your original mark is lowered, so your final grade may be **lower** than the original grade you received.
4. Your original mark is changed, but the grade stays the same.

- 1. The overwhelming majority of requests for reviews of results nationally produce no change of grade.**
- 2. The outcome of the enquiry should be notified within 40 days.**
- 3. You may be entitled to a refund if either the unit grade(s) or the overall subject grade changes. This however varies across the awarding bodies.**

I give my consent to the Head of my Examination Centre to make an enquiry about the result of the examination(s) listed above. In giving consent, I understand that the final unit mark/subject grade awarded to me may be lower than, higher than or the same as the mark/grade which was originally awarded for this unit/subject.
