

POST RESULT SERVICES – SUMMER'26 – INFORMATION SHEET

This document explains about different post result services you have available following your Summer'26 results. If you have any queries and concerns about your results, then the following services are available:

- 1) **Access to Scripts/Priority copy of marked script:** You can request your marked script from awarding body. You should request for priority copy of marked script if your university place is pending. Your college need to have your consent to download your scripts. If you wish to apply for this service, please fill and sign WQE ATS Form on website and send it to exams@wqe.ac.uk clearly mentioning which scripts you require. You may give consent to the College for all your exam papers but request only few. This service is free for all exam boards.
- 2) **Clerical Re-check:** This service will check if awarding body marked all pages of your script, counted all the marks and the result matched the marks on the paper. It is worth noting that you can check all these things yourself first if you apply for access to script/priority copy of marked script. If you wish to apply for this service, please download WQE ROM form from website, pay through Wise pay and send signed and filled form to exams@wqe.ac.uk. Please note that your fee will be refunded if overall subject grade changes.
- 3) **Review of Marking/Priority Review of Marking:** This service includes clerical re-check of paper, and a second examiner will review the paper again. Your marks may be lowered, confirmed or raised because of this service. Please apply for priority review of marking if your university place is pending. If you wish to apply for this service, please download WQE ROM form from website, pay relevant fee through Wise pay and send signed and filled form to exams@wqe.ac.uk. Please note that your fee will be refunded if overall subject grade changes.
